NOTE: Player ratings are only used for team balancing.

Losing or winning games by a large score is not fun for anyone. Our managers rely on our coach's honest player assessment and input since coaches know their players the best.

Apply the following criteria:

- 5 = Superior athlete – *Completely dominates the game.*
- 4 = Above Average – *Plays hard and is very talented, one of your best players.*
- 3 = Average – *Plays hard but is clearly not the best player on the team*
- 2 = Below Average - *Is inconsistent, occasionally contributes*
- 1 = Appears Lost –*Poor effort, rarely contributes*

PLEASE TRY YOUR BEST. WE NEED HONEST AND FAIR RATINGS.
